

# 5K-12 IMMUNIZATION INFO FOR PARENT

## South Carolina School Immunization Requirements 2024-2025

Students enrolled in grades 5K to 12 in both public and private schools must be up to date on the following shots based on their grade level:

- Hepatitis A
- Hepatitis B
- DTaP (tetanus, whooping cough)
- Polio
- MMR (measles, mumps, rubella)
- Varicella (chickenpox)
- Tdap (whooping cough booster required before seventh grade)

Vaccines are important to protect students from diseases such as measles, chicken pox, and whooping cough, which can spread easily in schools.

### Follow these steps to make sure your child is ready for school.

1. **Schedule** your child's well visit/physical early before school starts. Spring or summer break is a great time to get this done so you won't run into any delays once school begins.
2. **Ask** your child's healthcare provider what vaccines they recommend. Some vaccines are not required for school attendance but are highly recommended by physicians for all students.

*When every student receives an annual flu vaccine it protects schools from flu outbreaks. Adolescents also need the HPV vaccine to protect against cancers. Vaccines are also needed to protect against meningitis.*

3. **Obtain** a new South Carolina Certificate of Immunization every time your child has a shot.
4. **Give** a copy of the new South Carolina Certificate of Immunization to your child's school.

### Changes for the 2024 – 2025 School Year:

**9th grade:** one (1) dose of Tdap vaccine on or after the 10th birthday.

**10th grade:** two (2) doses of varicella. A child with a positive history of the disease is considered immune and is exempt from this requirement.

**12th grade:** three (3) doses of oral and/or inactivated polio vaccine with at least one (1) dose received on or after the fourth birthday.

**4th grade:** two (2) doses of hepatitis A vaccine with both doses received on or after the first birthday and separated by at least 6 months.

**You can also get your child's vaccines at county health departments.  
For an appointment, call 855-472-3432.**
