

13th Annual South Carolina Pediatric Trauma & Injury Prevention Symposium

Friday, Feb. 10, 2023

Columbia Metropolitan Convention Center
1101 Lincoln St. • Columbia, SC 29201

Virtually and in-person (in-person limited to 100 attendees)

Hosted by Prisma Health Children's Hospital—Midlands, SC Emergency Medical Services for Children, Trauma Association of South Carolina

Target audience

Statewide multidisciplinary symposium designed for trauma surgeons who care for injured children, emergency medicine physicians, pediatricians, other physicians, physician assistants, nurse practitioners, nurses, pre-hospital providers, injury prevention specialists and other healthcare professionals involved in the care of injured children.

Learning objectives

At the conclusion of this activity, participants should be able to:

- Report intent to apply best evidence-based practice and family-centered care to the pediatric trauma patient from time of injury through rehabilitation and recovery.
- Apply knowledge of pediatric trauma triage, evaluation and management in practice.
- Relate patient stories and case presentations to the need for research, advocacy and injury prevention for children.
